Check out their video at www.petersonbrothers.com

About Them: *The Peterson Farm Bros are made up of Greg, Nathan, Kendal, and honorary “bro” Laura Peterson. These bros farm together on a farm in Kansas, while providing a better understanding of what agriculture is! Through YouTube parody videos, speeches and a blog, they each help to clear up the misconceptions of what a farm life is like!*

What is this contest?: Much like the Peterson Farm Brothers, this contest is meant to help straighten out some misconceptions of modern agriculture! Plus Help to Promote Agriculture! To participate all you have to do is make a parody video based on an agricultural topic!

Who can participate?: Any group that can advocate agriculture! Anyone participating in FFA, 4-H, Youth Group, church gatherings, or just yourself can enter!

How can I do this?: Using a cell phone, camera, video camera or even a computer, just videotape you and your group singing along to a song of your choice with your new agriculture lyrics! No professional photography is needed! Fill out the online submission form and email the form and your video to info@troyfair.com! We would like to recommend to caption “I do not own the rights to this music” in your video or to contact the songwriter of the music you choose to use and ask permission to use their copyrighted music.

When does this have to be done?: The deadline for all video entries is July 15th 2018! Winners will be announced the first day of the 2018 Troy Fair, Monday, July 23rd, 2018 during the final Peterson Farm Brothers presentation!

Prizes are as follows: 1st place \$300, 2nd \$150 and 3rd \$50 **PLUS** your video will be shown at the fair and on our Fair web site and Facebook page!
