Dear Vendors/Campers

Welcome to the 142nd Annual Troy Fair at Alparon Park. Last year the Board of Directors implemented a new procedure for vendors who camp on the grounds. This made it easier and economical for the vendors, as well as the volunteers at the gate, and those who help sign in and park the campers/motorhomes.

To guarantee a camping space vendors must pre-register, with a 50 % deposit, and the balance due at time of arrival. No refunds will be given 30 days prior to the fair.

Any vendor/camper who arrives at the gate the weekend the fair begins without pre-registration will be parked on a first-come basis for the remaining lots. There will be no guarantee of space to those who are not pre-registered. Those pre-registered will receive the same spot as last year.

There will be NO PARKING in the fire lanes or next to the campers. Limited spaces will be available on the in-field for a fee of \$20.00 for the week. Other parking is available in Lot 3.

Registration for vendors and campers is available online at troyfair.com, or by calling 570-297-3468.

No campers will be allowed to place their living unit on the grounds before Friday at noon. Please note that camping fees cover your RV from Saturday before the Fair until Sunday after the Fair at 12:00 noon. **Campers staying on Friday night will be charged an additional fee of \$25.00.**

Sewage disposal is available with Bradford County Sanitation for a fee. The pumper will be in the camping area in the mornings during the Fair.

If you have any questions, please feel free to call the Camping Administrator at the number listed below. We look forward to working with you at the Troy Fair!
