Dear Vendors/Campers

The Troy Fair has a Facebook site dedicated to those who camp at the fair. It is a small group. It is a way for you to be informed of changes on the campgrounds. The address is <https://www.facebook.com/groups/troyfaircampers/> an easy way to find it is in your search bar look for Troy Fair Campers.

Effective with the 2018 Fair all campground registrations must be in and paid in full by May 30th 2018. After June, there are not many of these spaces available. NO ONE is allowed to camp, sleep or live in a car or truck on these grounds. This is an insurance issue and we cannot permit this.

As with the past several years there will be NO parking allowed on the campgrounds near your campers. Our insurance does not allow this for safety reasons. You are permitted to go after supplies and park at your camper to unload any day before 11am only. Security will be enforcing this issue.

Josh Curren is the new camping director. You can contact him at 607-857-0421 with any questions.

To guarantee a camping space vendors must pre-register and be paid in full. No refunds will be given 30 days prior to the fair.

Any vendor/camper who arrives at the gate the weekend the fair begins without pre-registration will be parked on a first-come basis for the remaining lots. There will be no guarantee of space to those who are not pre-registered. Those pre-registered will receive the same spot as last year.

There will be NO PARKING in the fire lanes or next to the campers. Limited spaces will be available on the in-field for a fee of \$25.00 for the week. Other parking is available in Lot 3.

Registration for vendors and campers is available online at troyfair.com, or by calling 570-297-3468.

No campers will be allowed to place their living unit on the grounds before Friday at noon. Please note that camping fees cover your RV from **Saturday before the Fair until Sunday after the Fair** at 12:00 noon. **Campers staying on Friday night will be charged an additional fee of \$25.00.**

Sewage disposal is available with Bradford County Sanitation for a fee. The pumper will be in the camping area in the mornings during the Fair.
