

Dear 4-H or FFA Market Livestock Member,

Welcome to the 4-H Market Livestock Program. We hope that you have a good experience this year and we are looking forward to working with each and every one of you.

If you do not have your market swine, goat or lamb, yet, then you need act now since you will need to own your animal by May 15.

You also need to talk to your 4-H livestock leader and let them know what 4-H market animal projects you are taking. Your leader will give you a special tag to go in your market animal's ear by **June 1**. Also, you must fill out an entry form for your market animal and give it to your 4-H leader. All entries will need to be turned in to the Extension Office from each 4-H club by **June 1**. More information about the livestock sale will be coming out in the June shout out, but it is never to early for you to start contacting buyers.

Enclosed you will find rules and information for this year's program. **Please read this and put it where you won't lose it. There is much information here. If you don't understand something talk to your leader or call me (Deb Bieser) at the Ext. Office – 570-265-2896.**

4-H LIVESTOCK PROJECT REQUIREMENTS:

Check with your 4-H leader to be sure you know exactly what you need to do to complete your 4-H project. Each leader has a book which contains the requirements to complete each 4-H project. You must receive at least a white ribbon on your project in order to show.

All completed projects are due at the Fairgrounds on Saturday, July 13 by 2:00pm if you plan to interview at Round- up. If you do not plan to interview books are due in the Extension Office on Thursday, July 11 at 5 p.m. If your books are not turned in on time, you will not be eligible to show your project at 4-H Roundup.

If you want to know how you will be judged there are score sheets in the 4-H room at the Extension Office and your leader will also have these score sheets.

****Also note to be eligible for Grand Champion Project books you will need to conduct an interview on July 13 at 4-H Roundup or schedule an alternate interview by calling the Extension Office.**

Penn State Ethics and Quality Assurance Training:

Ethics and quality assurance training is required by all 4-H animal project members. Any youth that has not taken the training will not be allowed to show. The Training is to be completed by July 1, 2019 and the certificate must be included in ALL of your 4-H animal project books.

2019
4-H AND FFA LIVESTOCK SHOW

General Rules

1. All 4-H and FFA Market steers must be tagged with a special 4-H ear tag on or before January 1st. The tag may go in either ear of the animal. All 4-H market swine, lamb, goat and rabbit project animals must be tagged or tattooed (rabbit) with a special 4-H ear tag on or before June 1st. The tag may go in either ear of the animal. 4-H leaders must verify that the animal was tagged by the registration date. This verification needs to be indicated on the entry form. If the animal has not been tagged with a 4-H tag by June 1, then the animal is ineligible to be shown. **See your 4-H leader to obtain your tag.**
2. Youth may tag two animals per species but can show only one animal per species.
3. **The entry forms are due at the Extension Office on June 1st.** Your leader has the forms and tags.
4. To be eligible for the sale, your animal must meet the minimum/maximum weight below:
Steer – 1,000 - 1,500 lbs. Hog - 200 to 300 lbs. Lamb - 80 to 150 lbs. Goat - 45 pounds or more. Animals not meeting the minimum/maximum weight will compete in fitting and showmanship, but will not be sold.
5. The 4-H Livestock Roundup is a 'terminal' show. Animals that do not meet the minimum/maximum weight requirements are not eligible to be shown/sold next year.
6. **4-H members must feed, water, and clean up for their animals during their entire stay at the Fairgrounds.** *If your animal is neglected, you will not be allowed to show next year.*
7. 4-H members must clean out their stalls after their animal has left the Fairgrounds and remove all bedding to the manure pit.
8. 4-H members are permitted to sell one animal through the auction, with the exception of the Champion and Reserve Champion. All champions and Reserve Champions for type are eligible to go through the auction. You are limited to showing one animal per species (example: one pig and one steer.) You will have to decide which of your projects will sell through the auction, unless both are Champion and Reserve Champion.
9. At both the show and sale, all 4-H and FFA livestock **youth must wear long dark colored pants, with closed toe and heel shoes, a navy blue, white or forest green collared shirt. There will be no shorts or tee shirts with lettering.** A white shirt and black pants are recommended for both the show and sale. The buyers are business people- they want to see you at your best.

10. At NO time while in the youth are in the pens with their swine, sheep, goats are you allowed to have opened toed shoes. This includes the adults!

11. Any youth that has not cleaned out their pen by 8am Thursday will be charged a fee of \$20. This will be deducted from your Premium check. All pens must be cleaned by 8 a.m. Thursday.

12. If your pig, steer, sheep or goat weighs two pounds over OR two pounds under the minimum/maximum weigh, you will be allowed to show your animal.

13. If your pig weighs less than 175 you will be asked to take the animal home. However, anything weighing 175 – 199 will show in the under/over weight class.

14. Only Sheep and Goats will be allowed to use the back of the wash rack on Monday, July 22th until 2pm.

15. No dairy cows are allowed at the wash rack on Monday, July 22th from 6am – 8am. Beef, sheep, goats, and pigs have priority of the wash rack and if they need to use it after this time, please be respectful and move your animals. This is their show day and they need to have all their animals cleaned.

16. Breeding goats will arrive between 4pm – 8pm on Thursday, July 25th for the 4-H/Open Breeding Goat Show on Friday, July 26th. Goats will not be allowed to unload until all pens are cleaned and someone is there to check-in.

17. All 4-H/ FFA members who are participating in the livestock sale must be present on Tuesday, July 23 at 6:00PM and Wednesday, July 24 directly following the sale to set up/ take down buyers chairs.

18. There will be no excessive feeding of animals to force a weight gain for weigh in.

All MARKET PIGS, BEEF, SHEEP and GOATS need to arrive at the Fairgrounds through Gate 3, next to Cummings Lumber Mill between 10:00 A.M. to 3:00 P.M. on Saturday, July 20 and 9:00 A.M. to 4:00 P.M. on Sunday, July 21.

Weigh-In Schedule

Pigs, beef, meat goats and sheep will be weighed after 4:00 P.M. on Sunday, July 21. 4-H/ FFA members will be allowed one reweigh for any animal that is over or under weight by a small amount.

Sunday, July 21

3:30PM All 4-H and FFA members must be present for exhibitors meeting and pizza party- Back numbers will be given out

SHOW SCHEDULE - MONDAY, JULY 22

8:30 A.M. Pig Show- Pig tent
9:30 A.M. Beef Show-Large Arena
2 P.M. Lamb Show-Small Arena
Following Lambs Meat Goat Show-Small Arena
6:30 P.M. Meat Rabbits – Bunny Barn, by Small Arena

SALE SCHEDULE - WEDNESDAY, JULY 24

10:00 a.m.

4-H Livestock Sale

Sale Order – All Champions and reserve champions sell first, then by the following order: Pigs, Milk, Meat Rabbits, Meat Goats, Lambs, Beef

Buyer Cards

All youth livestock exhibitors will need to contact at least two potential buyers and will need to fill out a Buyer Card to be turned in at check-in time. After we receive all entries, you will receive more information about contacting buyers.

SECTION A-3 **4-H & FFA MARKET BEEF SHOW**

1. 4-H club and FFA chapter members must present and have control of their animals at the time of judging, which will be Monday, July 23 starting at 9:30 A.M. in the Large Arena.
2. NO EXHIBITOR MAY ENTER MORE THAN ONE ANIMAL.
3. All steers must be owned by the member by January 1st.
4. All steers that will be sold must be tagged with a special ear tag by June 1st.
5. Market steers must weigh between 1,000-1500 lbs. to be sold.
6. The 4-H Livestock Roundup is a terminal show. Any animals not meeting the minimum weight requirement are not eligible to be shown or sold the following year.
7. **The care of project animals while on the Fairgrounds is the responsibility of the Exhibitor.**
8. 4-H members must clean out their stalls after their animal has left the fairgrounds and remove all bedding to the manure pit. **Any youth that does not clean out their stall by 8am Thursday will be charged a \$20 fee. This will be deducted from your Premium check.**
9. **If your pig, steer, sheep or goat weighs two pounds over OR two pounds under the minimum/maximum weigh, you will be allowed to show your animal.**

CLASSES:

Due to weight variances and limits, the number of weight classes will be set by the 4-H Livestock Show Committee.

4-H & FFA BEEF - GOOD HOUSEKEEPING AWARD

First: \$5 Second: \$4 Third: \$3 Fourth: \$2 Fifth: \$1

4-H & FFA MEAT GOATS - GOOD HOUSEKEEPING AWARD

First: \$5 Second: \$4 Third: \$3 Fourth: \$2 Fifth: \$1

4-H & FFA LIVESTOCK SALE
10:00 A.M. WEDNESDAY, JULY 25

Order of Sale-All champion and reserve champions are sold first to be followed by each species in the following order:

Lambs, Beef, Pigs, Milk, Meat Rabbits, Meat Goats

1. 4-H club and FFA chapter members will be permitted to sell one animal through the auction, with the exception of the Champion and Reserve Champion. All Champions and Reserve Champions for type are eligible to go through the auction. You are limited to showing one animal per species (example: one pig and one steer). You will have to decide which of your projects will sell through the auction, unless both are Champion or Reserve Champion.
2. Livestock may only be shown one year. Example - if a steer is too light to be sold one year, it is not eligible to be shown and sold next year.
3. Please remember the percentages of fees taken out. The breakdown is below (this is also in the letter with the photos):

EXPLANATION OF DEDUCTIONS

1. Commission – Extension Office 3% fee for photos, advertisements, buyer passes, etc.
2. Checkoff – state boards of beef, pork, and lamb for national advertising.
3. Misc. Charges– Troy Fair - 3% commission & a \$3.00 flat fee for buyers lunches/drinks the day of the sale.

4-H AND FFA LIVESTOCK HEALTH REQUIREMENTS

Pennsylvania Cattle

Requirements:

1. Cattle shall be identified by an official ear tag or other unique identification device approved by PDA. Official identification includes: A USDA-issued National Uniform Eartagging System (NUES) ear tag having a US shield ; or A 15 digit Animal Identification Number (AIN) ear tag starting with “840” and having a US shield ; or Other identification approved by the PDA (brands and breed registrations with tattoos are not acceptable).

Recommendations:

1. Certificate of Veterinary Inspection (CVI) issued after May 1, 2018.
2. All animals must be free of evidence of infectious and contagious diseases and a statement of this should be written on the CVI.
3. A current rabies vaccination administered by a licensed veterinarian for animals 3 months of age and older (observe appropriate slaughter withdraw time).
4. Rodeo: It is recommended that rodeo cattle of all ages be negative on an official tuberculin test within 60 days prior to the start of the fair unless they are members of and originate from an accredited tuberculosis-free herd. The cattle can be accompanied by the negative test report or the tuberculosis test results can be recorded by the veterinarian on a CVI.

Out of State Cattle

Requirements:

1. Federal regulations (USDA) require a Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the date of importation.
2. Vesicular Stomatitis (VS): This applies to cattle entering Pennsylvania from states that experienced a Vesicular Stomatitis outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: “All animals identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals have neither been exposed to VS nor were located within 10 miles of a site where VS has been diagnosed.”
3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.

Rev 1-3-18

6 of 22 PA Dept. of Agriculture

4. Federal regulation (USDA) requires individual official animal identification. Official ID will have a US shield and includes:

A USDA-issued National Uniform Eartagging System (NUES) tag; or A 15-digit Animal Identification Number (AIN) ear tag starting with “840”; or Other official identification approved by USDA. (brands and breed registrations with tattoos are not acceptable).

5. Tuberculosis testing requirements:

No test is required for animals originating from states or zones designated as accredited free by the USDA. All animals originating from states or zones designated modified accredited advanced by the USDA must be test negative within the 60 days prior to the date of importation. The negative test results and dates of tests must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original report is acceptable). All animals originating from states or zones designated modified accredited by the USDA must originate from herds in which all animals 12 months of age and older are test negative within the 12 months prior to the date of importation and the individual animals (all ages) to be imported are also test negative within the 60 days prior to the date of importation and at least 60 days after the negative whole herd test was completed. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original test report is acceptable).

Recommendations:

1. A current rabies vaccination administered by a licensed veterinarian is recommended for animals 3 months of age and older (observe appropriate slaughter withdraw time).

2. Rodeo: It is recommended that rodeo cattle of all ages be negative on an official tuberculin test within 60 days prior to the start of the fair unless they are members of and originate from an accredited tuberculosis-free herd. The cattle can be accompanied by the negative test report or the tuberculosis test results can be recorded by the veterinarian on a Certificate of Veterinary Inspection.

Pennsylvania Goats

Requirements:

1. Individual official animal identification is required for all goats. Official ID includes:

A USDA ear tag with a US shield ; or A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database a.k.a. scrapie tattoo (only for herds enrolled in the USDA Voluntary Scrapie Herd Certification Program); or A breed registration tattoo if the animal is accompanied by a registration certificate and the tattoo is legible.

Recommendations:

1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2018.
2. All animals must be free of evidence of infectious and contagious diseases and a statement of this should be written on the CVI.

Out of State Goats

Requirements:

1. Federal regulations (USDA) require a Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the date of importation.

2. Vesicular Stomatitis (VS) statement: This applies to states that experienced a VS outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: "All animals

Rev 1-3-18

12 of 22 PA Dept. of Agriculture

identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals were not located within 10 miles of a site where VS has been diagnosed."

3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.

4. Individual official animal identification is required for all goats. Official ID includes:

A USDA ear tag with a US shield ; or A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database a.k.a. scrapie tattoo (only for herds enrolled in the USDA Voluntary Scrapie Herd Certification Program); or A breed registration tattoo if the animal is accompanied by a registration certificate and the tattoo is legible.

5. Tuberculosis testing requirements:

No test is required for animals originating from states or zones designated as accredited-free by the USDA. All animals originating from states or zones designated modified accredited advanced by the USDA must be test negative within the 60 days prior to the date of importation. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original report is acceptable). All animals originating from states or zones designated modified accredited must originate from herds in which all animals 12 months of age and older have tested negative within the 12 months prior to the date of importation; and the individual animals (all ages) to be imported have also tested negative within the 60 days prior to the date of importation and at least 60 days after the negative whole herd test was completed. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original test report is acceptable).

Recommendations:

All out of state goats must meet all criteria listed above as "requirements". PDA has no additional recommendations to prevent the introduction of contagious disease from out of state goats.

Call me at 570-265-2896 if you have any questions.

Pennsylvania Sheep

Requirements:

1. Individual official animal identification is required for all sheep. Official ID includes:

A USDA ear tag with a US shield ; or A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database a.k.a. a scrapie tattoo (only for flocks enrolled in the USDA Voluntary Scrapie Flock Certification Program); or A breed registration tattoo if the animals are accompanied by a registration certificate (copy acceptable) and the tattoo is legible.

Recommendations:

1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2018.
2. All animals must be free of evidence of infectious and contagious diseases and a statement of this should be written on the CVI.
3. A current rabies vaccination administered by a licensed veterinarian for animals 3 months of age and older (observe appropriate slaughter withdraw time).

Out of State Sheep**Requirements:**

1. Federal regulation (USDA) requires a Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to entry into PA.
2. Vesicular Stomatitis (VS) Statement: This applies to states that experienced a VS outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: “All animals identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals were not located within 10 miles of a site where VS has been diagnosed.”
3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.
4. Individual official USDA scrapie animal identification is required. Official scrapie ID includes:
 - A USDA ear tag with a US shield ;or A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database a.k.a. a scrapie tattoo (only for flocks enrolled in the USDA Voluntary Scrapie Flock Certification Program; or A breed registration tattoo if the animals are accompanied by a registration certificate (copy acceptable) and the tattoo is legible.

Recommendations:

1. A current rabies vaccination administered by a licensed veterinarian for animals 3 months of age and older (observe appropriate slaughter withdraw time).

Pennsylvania Swine**Requirements:**

The Department of Agriculture has no specific requirements for Pennsylvania swine at fairs. However, fair management has the authority to impose requirements designed to prevent the spread of contagious diseases.

Recommendations:

1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2018.
2. All animals must be free of evidence of infectious and contagious diseases and a statement of this should be written on the CVI.
3. Individual animal ID. ID options include the following:
Rev 1-3-18
18 of 22 PA Dept. of Agriculture
 - A form of official ID, including:
 - A registration certificate in combination with an ear notch; or A USDA-issued metal ear tag with a US shield ; or An ISO-compliant 15-digit eartag starting with “840”; OR A plastic stamped ear tag (market hogs only)

Out of State Swine**Requirements:**

1. A Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the date of importation is required. The CVI shall include a statement verifying that the swine have not been fed raw garbage.
2. Vesicular Stomatitis (VS) Statement: This applies to states that experienced a VS outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: “All animals identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals were not located within 10 miles of a site where VS has been diagnosed.”
3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.
4. Individual animal ID. ID options include the following:
 - A form of official ID, including:

- A registration certificate in combination with an ear notch; or
- A USDA-issued metal ear tag with a US shield
- An ISO-compliant 15-digit ear tag starting with “840”

5. Brucellosis Testing Requirements:

No brucellosis test is required if the animal originates from a validated brucellosis-free herd. If from a validated herd, the herd number and date of last test must be included on the CVI. If not originating from a validated herd, out of state swine must be negative to an official brucellosis test within the 30 days prior to the date of importation, and the negative results and date of test must be included on the CVI or the animal must be accompanied by a negative laboratory test report (a copy of the original lab report is acceptable).

6. Pseudorabies Testing Requirements:

No pseudorabies test is required if the animal originates from a qualified pseudorabies-negative herd. A qualified pseudorabies-negative herd shall not be construed to mean every swine herd from a Stage V state, but only those herds in compliance with individual herd testing plans. If from a qualified herd, the herd number and date of last test must be included on the CVI. If not originating from a qualified herd, out of state swine must be negative to an official pseudorabies test within the 30 days prior to the date of importation, and the negative results and date of test must be included on the CVI or the animal must be accompanied by a negative laboratory test report (a copy of the original lab report is acceptable).

Recommendations:

All out of state swine must meet all criteria listed above as “requirements”. PDA has no additional recommendations to prevent the introduction of contagious disease from out of state swine.

Sincerely,
