

April 2017

Dear 4-H or FFA Market Livestock Member,

Welcome to the 4-H Market Livestock Program. We hope that you have a good experience this year and we are looking forward to working with each and every one of you.

If you do not have your market swine, goat or lamb, yet, then you need act now since you will need to own your animal by May 15.

You also need to talk to your 4-H livestock leader and let them know what 4-H market animal projects you are taking. Your leader will give you a special tag to go in your market animal's ear by **June 1**. Also, you must fill out an entry form for your market animal and give it to your 4-H leader. All entries will need to be turned in to the Extension Office from each 4-H club by **June 1**. You will receive a second mailing in July with more information, especially on the 4-H/FFA Livestock Sale and contacting buyers.

Enclosed you will find rules and information for this year's program. **Please read this and put it where you won't lose it. There is much information here. If you don't understand something talk to your leader or call me (Amberleigh Packard) at the Ext. Office – 570-265-2896.**
