3. **To reduce traffic congestion, the following rule has been implemented: Due to parking lot constraints at the Troy Fairgrounds, owners of cattle trailers who plan to park trailers for any period of time will be required to park trailers in one of the following designated parking areas:**
  - a. **Columbia Cross Roads Equipment- Route 14 Columbia Cross Rds., PA**

5. **Exhibitors are responsible for cleaning out their own packs at the completion of each show. This includes the front feed-storage area. BALES MUST BE REMOVED-DO NOT THROW THEM IN THE MANURE PIT.**

## **General Rules**

Every Exhibit accepted for premiums must be given an ENTRY TAG which must be PROPERLY MARKED to SHOW THE NAME OF THE EXHIBIT. In the case of livestock, BREED NAME MUST BE SHOWN on cards large enough so that the BREED NAME CAN BE READILY IDENTIFIED BY THE VIEWERS.

If the livestock is grouped together according to breed, one large sign to designate the group will be satisfactory. The ribbons or rosettes must be placed on the stall or pen of the individual winners for the duration of the fair or show. In the case of poultry, ENTRY TAGS SHOWING SPECIES must be plainly exhibited on each cage, and winning stickers must appear on such entry tags showing the winner. Failure to comply with this regulation will result in forfeiture of premiums. It will be the duty of the fair or show officials to enforce this regulation.

1. All exhibitors agree to be bound by the rules and regulations of the Troy Fair.
2. The fair management reserves the right to amend or add to these guidelines as its judgment may determine.
3. Reasonable care will be taken to protect all exhibitors on display from all injury and damage but the fair is not, in any way, to be held responsible for accidents, loss or damage by water, fire, theft, or otherwise, whatever may be the cause or extent of the damage or loss.
4. Entries will be made according to classification.
5. Premiums, as listed may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a ribbon or rosette.

The fair reserves the RIGHT TO DETERMINE how many entries they will accept from an exhibitor in the same class or, in the case of livestock, the same breed, and poultry, the same species.

THE DECISION OF THE JUDGES SHALL BE FINAL IN ALL CASES except where mistakes, fraud, misrepresentation, or collusion - not discovered at the time of the award—is proved. In such cases, the superintendent, manager, or secretary of the fair or show, or such referee as he may appoint, may make the decision. The case may be appealed to the Fair Management or Show Commission from whose decision there can be no appeal. It is suggested that each fair have a committee of three board members designated prior to fair time for this purpose.

All protests regarding the judging must be made in writing and must plainly state the cause of the complaint or appeal. Such protests must be filed at the fair offices within 24 hours of the occurrence.

6. It shall be the responsibility of the exhibitor TO PROPERLY NAME THE ARTICLE OR BREED OF LIVESTOCK he is entering. Any exhibit improperly entered will be disqualified to receive a premium, but the judges will make the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.
7. All entries must have been grown, produced, or made since the last fair by the person whose name appears on the tag as exhibitor. Any exhibitor may be required to prove ability to reproduce entry in any department in the presence of a qualified person.
8. Superintendents reserve the right to bar from competition any entry of inferior quality and those not possessing sufficient merit to warrant recognition. The fair reserves the right to remove any exhibit not worthy of viewing by the public.
9. Food products cannot be treated with any substance that causes them to become poisonous and unfit to be used for consumption. Any such incidents must be reported to the Pennsylvania Agricultural Fair Program for further review.
10. No exhibits may be removed at any time before the close of the fair except by consent of the management of the fair.
11. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the fair or show which shall be supplied by the fair free of charge.
12. Any exhibitor interfering with the judges while making awards shall forfeit any premium to which he would otherwise have been entitled. Department superintendents may enter exhibits in their own departments, but neither they nor any other exhibitor may communicate with the judges during the time of determining the awards, except to answer questions proposed by the judges.
13. All livestock offered for premiums must have been the property of the owners for thirty (30) days or longer. Health papers are to be issued in the name of the exhibitor.
14. The market animals should be weighed on the same set of scales under a qualified weight master, under the direction of the fair.
15. Should any animal awarded a prize be disqualified, the animals gaining the lower prizes shall move into the next higher position, if in the opinion of the judges, the animals are worthy of such prizes.
16. Overfitting of cattle is discouraged. Any artificial means used to change the form or shape of an animal will disqualify it from competition.
17. When on exhibition in the ring, each animal must be under halter in charge of the owner or employee. The fair will have stand-by attendants available during the youth judging or showing, men designated if there is trouble with the animals.
18. Joint ownership is considered to be as one owner in accordance with registration papers.

1. The exhibitor must have grown all plants/flowers entered for competition. Plants must have been the property of the exhibitor for at least two months prior to the time of exhibition. (EXCEPTION: Wildflower Arrangement)
2. The exhibitor is limited to one entry in each class or subclass to be judged. (e.g. Section 11; Class 54A; Rose, Tea). **Exception:** Exhibitors may enter more than one entry in classes labeled “**other**”, if the entries are of different cultivars, since each cultivar will be judged separately at the discretion of the judges. One stem for Large specimens, 3 stems for most classes.
3. Please identify your flower or plant carefully. Check under both botanical name and common name. If it is not listed, you may enter in the “other” class that is most appropriate. 4. Any plant or flower manifestly unfit to show may be excluded by the management, and the management may at any time order the removal of an exhibit which is in bad condition or is infested with noxious insects or diseases. No leaves on specimens should be below the water line as it will lead to decay. All specimens should be conditioned for peak performance at the time of judging.
5. Maximum care will be taken of the plants, containers, and accessories until exhibitors can reclaim them but the Fair cannot be responsible for damage or loss.
6. Exhibitor is responsible for furnishing vases that are appropriately sized. (NO PAPER OR STYROFOAM CUPS, or containers prone to tipping). Please place a drainage plate under pots. With container-grown plants, the appropriateness of the container will be considered in judging.
7. NO artificial flowers permitted. Only Dish Gardens, Terrariums, and Large Displays may include artificial and/or decorative items, however living plants must predominate.
8. **Every effort should be made to enter before the fair.** Tags will be printed and available to attach as soon as possible. ## BLUE RIBBON APPLE PIE CONTEST

### INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2025 EVENT

Each county/local fair is encouraged to conduct a 33rd Annual Blue Ribbon Apple Pie Contest at their 2025 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2026 PENNSYLVANIA FARM SHOW.

**RULES** for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual amateur who is a Pennsylvania resident. One entry per person.
2. Entrants may **NOT** have won 1st place in this Blue Ribbon Apple Pie Contest at any other fair in 2025.
3. Entry must be a pie that must include at least 60% apples in the filling. It does not need to be a "traditional" two-crust apple pie and it can have a variety of fillings.
4. The entire pie must be submitted for judging in a disposable pie pan. (All pans, plates and dishes are considered to be disposable and will **not** be returned. All ingredients of decorations must be edible)
5. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 1/2 x 11" paper. The recipe must list all ingredients, quantities, and the preparation instructions. Entrant's name, address and phone number must be printed on the **back side** of all the pages. (All recipes and pies will become the property of the Fair or PA Farm Show and will **not** be returned.)
6. Refrigeration is **not** available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
7. Judging will be based on the following criteria:

Flavor	30 points
Filling: consistency, doneness, moistness and flavor	25 points
Crust: color, flavor, texture, doneness	20 points
Overall Appearance	15 points
Creativity	10 points
<b>TOTAL</b>	<b>100 Points</b>

### **NOTE:**

Creativity is essential to a varied competition. Do not limit your contest to a "traditional" two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include **at least 60% apples** in the filling.

The recipe for the pie and pie crust will also need to be submitted when entering at the PA Farm Show.

Each Fair must sign a Certification Form verifying the winning apple baker, and this person will be eligible to enter the state competition at the 2025 Farm Show.

**NOTE:** If an individual has already won 1st place at another fair in 2025 for this Blue Ribbon Apple Pie contest, the individual is now considered qualified through that Fair to compete at the 2026 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.

**BVFS PRIZES: 1st - \$25 • 2nd - \$15 • 3rd - \$10**

At the PA FARM SHOW level, this contest is sponsored by:  
The Pennsylvania Department of Agriculture and The Pennsylvania State Association of County Fairs
